

APFUS 2024

February 22-24, 2024 | #337, Central administration building, Yonsei University, Seoul, Korea

Dr. Joonho Seo

Korea Institute of Machinery and Materials,
Korea

He received his Ph.D. in mechanical engineering with a focus on medical robotics from the University of Tokyo, Japan. Afterwards, he worked at the Samsung Advanced Institute of Technology (SAIT) as a Senior Research Staff in the Medical System Lab. Currently, he is serving as the Principal Researcher in the Department of Medical Robotics at the Korean Institute of Machinery and Materials, where he also holds the position of Department Head. Additionally, he is the Vice President of the Korean Society of Medical Robot (KSMR) and also board member of the Korean Society of Therapeutic Ultrasound (KSTU).
